Re - Raymond Schneider

Interviewed Joseph Toth at his residence, top floor, 59 French St., relative to his knowledge of Schneider in habit of carrying a revolver.

Says he always knew Schneider to carry a "gun".

That he was threatened with the gun by Schneider about 5 or 6 weeks previous to the murder. That Pearl Bahmer took the gun from him (Schneider).

Says Julia Hornyock, who lives on Lee Ave., near Melton St., also knows of Schneider's habit to carry guns.

Respectfully submitted,
